LEGAL & COMPLIANCE

Cookie Policy

The cookies and browser storage LEFTURN uses, why, and how you can control them.

Effective November 27, 2026 | Version 1.0 | LEFTURN INC. · Ontario Corporation Number 5002593

IN SHORT

- manage.forex uses only essential and functional storage. No advertising cookies.
- We do not use third-party analytics or advertising trackers on the website today.
- Our chat keeps a visitor ID and the current conversation so it can continue as you move between pages.
- You can block or delete cookies in your browser; some features may stop working.

01 What cookies are

Cookies are small text files a website stores in your browser. Similar technologies, such as local storage and session storage, keep information in your browser in the same way. This policy covers all of them, on manage.forex, master.manage.forex (the portal) and the LEFTURN Academy.

02 Essential

Needed for the site and portal to work, so they cannot be switched off in our settings.

- **Sign-in session:** keeps you signed in to the portal and Academy admin, and protects forms against forged requests. Deleted when you sign out or close the browser, or after a period of inactivity.
- **Security:** helps detect abuse such as repeated failed sign-ins or spam.
- **Your cookie choice:** remembers the choice you make about optional cookies.

03 Functional

- **Chat:** a random visitor ID and the conversation in session storage, so the chat assistant can continue your conversation across pages. The conversation storage is cleared when you close the tab.
- **Preferences:** settings such as filters, slides you have paused or offers you have dismissed.

04 Visit statistics

Our own chat system records page views (page address and title, referring site, device type and IP address) linked to the random visitor ID, so we can see which pages help visitors and answer chats with context. This information stays on our own servers and is not shared with advertising networks.

05 Analytics and marketing

We do not currently use third-party analytics, advertising or social media tracking cookies on the website. If we add them, they will only run after you agree, and this policy will be updated first.

06 Third-party content

Links to other sites, such as prop firms, brokers, QuantVPS or WhatsApp, take you to services with their own cookie policies. Referral links include a referral code in the address so the partner can credit LEFTURN; they do not place LEFTURN cookies.

07 Managing cookies

You can see, block and delete cookies in your browser settings:

- **Chrome:** Settings → Privacy and security → Third-party cookies / Delete browsing data.
- **Safari:** Settings → Privacy (Mac) or Settings → Apps → Safari → Advanced (iPhone).
- **Firefox:** Settings → Privacy & Security → Cookies and Site Data.
- **Edge:** Settings → Cookies and site permissions.

Blocking essential cookies will prevent you from signing in to the portal. Clearing site data also resets the chat and your preferences.

08 Changes and contact

We will update this policy when the cookies we use change. Questions: support@manage.forex.
