01 Agreement

These Terms apply when you use manage.forex, master.manage.forex, the LEFTURN Academy, the chat assistant, the Marketplace, Trade Ideas, Market Intelligence tools and LEFTURN software (together, the "Services"), operated by LEFTURN Inc. of Toronto, Ontario, Canada. Paid services are also governed by the LEFTURN Master Service Agreement and your accepted service order, which take priority if they differ from these Terms. By using the Services you accept these Terms, our Privacy Policy, Cookie Policy, Refund Policy, Risk Disclosure and International Eligibility Policy.

02 Eligibility

You must be at least 18 and the age of majority where you live, able to enter a binding contract, and permitted to use the Services under the laws of your country. You may not use the Services if you are a sanctioned person or acting for one. LEFTURN may decline or limit service where eligibility, legal or provider restrictions apply.

03 Your account

- Give accurate information and keep it up to date.
- Use one LEFTURN account per person, and only trading accounts held in your own name.
- Keep your login secure and do not share it. You are responsible for activity under your account.
- Free trials are limited to one per person.
- Tell us immediately if you suspect unauthorized access.

04 What LEFTURN is and is not

LEFTURN is not a prop firm, broker, bank, custodian or deposit-taking institution. We do not issue funded accounts, provide trading capital, hold client funds, control third-party payouts or set provider rules. Our services operate through an Expert Advisor, the LEFTURN Copier or another approved connection that you install and control. We do not request trading account passwords.

05 Your control and responsibilities

- You can monitor, change or close trades, cancel orders, disable automation and revoke LEFTURN's authorization at any time.
- You must review and follow your prop firm's or broker's rules, including any rules on third-party trading, copying, automation and news trading.
- Keep your Windows VPS, trading platform and our software running and connected while a service is active.
- Do not place your own trades on an account that LEFTURN manages unless agreed, as this changes the risk being managed.

06 Fees, tokens and payments

Prices, token requirements and renewal terms are shown before you confirm a purchase. Payments are confirmed by LEFTURN before setup files, services or tokens are released. Purchased tokens are service credits, not investments, deposits or cryptocurrency, and cannot be redeemed for cash. Trader subscriptions use tokens for 30 days at a time and renew from your wallet while active. Refunds are covered by our Refund Policy.

07 The Marketplace

Marketplace traders are independent providers. They are responsible for their trading decisions and for meeting LEFTURN's trader standards. LEFTURN may approve, suspend or remove traders, trade plans

or content for risk, security, quality or compliance reasons. Copying a trader does not create any relationship between you and the trader beyond the subscription.

08 Acceptable use

You may not: misuse, copy, resell or redistribute our software, data or content; share licence or account keys; reverse engineer or bypass licensing or security; scrape the Services; upload false statements or performance records; impersonate anyone; post unlawful, abusive or misleading content; or use the Services to break any law or provider rule.

09 Content and intellectual property

LEFTURN and its licensors own the Services, software, Expert Advisors, indicators, designs, Academy articles, guides and other content. You receive a limited, non-transferable licence to use them for your own account while you are eligible. Traders keep ownership of their trade plans and grant LEFTURN a licence to display and distribute them within the Services.

10 Information only

Academy articles, guides, trade plans, market tools and chat answers are general information, not individual investment, legal or tax advice. AI-generated answers can be wrong. Read our Risk Disclosure before trading.

11 Availability and third parties

We aim to keep the Services available but do not guarantee uninterrupted operation. Platforms, brokers, prop firms, hosting, market data and payment providers can fail or change independently. We may update, suspend or discontinue features.

12 Liability

To the extent permitted by law, LEFTURN is not liable for ordinary market losses, missed opportunities, lost anticipated profits, or failures of third parties outside our control. Nothing in these Terms excludes liability for fraud, wilful misconduct, gross negligence, or any liability or remedy that cannot lawfully be excluded.

13 Suspension and termination

You can close your account at any time. LEFTURN may suspend or terminate access for non-payment of undisputed fees, fraud, misrepresentation, unauthorized use of technology, security concerns, legal or contractual restrictions, ineligible accounts or abusive conduct, with notice and reasons where practicable.

14 Law, disputes and changes

These Terms are governed by the laws of Ontario and the federal laws of Canada that apply, subject to mandatory consumer protections where you live. Please contact us first so we can try to resolve any

dispute directly. We may update these Terms; material changes will be announced on the site or by email, and the date above will change.
